Handwriting Practice

A 3x7 grid of gray rectangles. Each rectangle has a black dot at the top center. The rectangles are arranged in three rows and seven columns. The first row has rectangles with dots at the top center. The second row has rectangles with dots at the top center. The third row has rectangles with dots at the top center.

A 3x7 grid of gray rectangles. Each rectangle has a black dot at the top center. The rectangles are arranged in three rows and seven columns. The dots are positioned at the top edge of each rectangle, centered horizontally. The rectangles are a uniform gray color and have a consistent size and shape. The background is white.
