Book 6: Soup

Photocopy this page onto card and cut into reading and sorting cards. Store cards in an envelope and stick the label on the front for reference. This activity can be split into two levels by color coding the spellings on the cards first with highlighter pens. Cards can also be made into a simple matching game by printing on two different colors of card. Select five or six words and place face down on the table.

Take it in turns to find the pairs.

Is it true?

It is supper time. Ned is making a meat stew. It is taking a long time. To pass the time, Ned gives Bella six clues to solve. The first clue leads Bella to some bubble bath. The second clue leads her to some glue. The third clue is in the garden. Bella is happy the bamboo plant is next to a chocolate cake!

There are 6 things in the story above that are not true.  
Can you spot them?

Ask the student to read the text carefully and circle any false information that has been planted in the story.

4-in-a-row game

Page 5

**A game for two players:** Play with two sets of colored counters or two different sets of coins. Players take turns to read a word and put a counter on it. The winner is the first to get four of his or her counters in a row in any direction. The winner places a counter on a picture of Bella. The game is played four times until all the pictures of Bella are covered.
