“It is Earth Day!” said Gramps.

“What can we do?” said Ahmed.

“Let’s get on the bus to the Farmer’s Market!” said Gramps.

“What is a Farmer’s Market?”

“You will see. It is a shop. It has a tent and it sells food from farms.”

“Let’s jog to the Farmer’s Market,” said Ahmed.

“Jog?”

“Yes. It is best for the Earth. The bus has gas.”

“Then let’s rush! Do not lag!”

“We can put a bit of this, and a bit of that in a salad!” said Gramps.

“Yum! Can we get a cup for you  
and a cup for me?”

“You can do the math,” said Gramps.

“Yes, Gramps, we can! Earth Day  
is a lot of fun.”
