My name is Sun. I am from China. It is Spring time. When it is Spring, I get to help mom. "Sun," says mom with a smile. "We have to set up the home. It is time to make it shine." At dusk, the home is lit up.

Then, we make a note. I write the note on a red pad with a black pen. It brings us luck. Gram and gramp hand me a red pack. It has a five and a ten. I will save it.

Mom, dad, gram, gramp and I dine on a lot of noodles. Gram and gramp tell us a long noodle can bring a long life. Then, mom brings us a big red cake. Munch! Munch! Yum! It is a lot of fun. The End.
