Focus Sound: silent e By: B. Marker

Nate has a shop. He can bake cake. Jane and Tom will wed. They hope to get a big white cake with buds. "I can make a lot of mix," says Nate. "Next, I will bake the cake."

On top of the cake, Nate adds a lot of frosting. It is rich and thick. "I will add buds on the side of the cake." Jane picks the cake up. "What a fine cake! I like it a lot!" says Jane, the bride. The End.
