After lunch, Chip and Chet sat down  
to play a chess match.  
A bunch of chimps came to watch.

This is a tale about Chip the Chimp.  
Chip is the chess champ of Chesterton.  
Chip is no chump when it comes to chess.

“I have no time to chat,” said Chip.  
 “I choose to pitch.  
 But I will play chess after lunch.”

One day a chap named Chet  
 came to Chesterton.  
 He chose to play a game of chess with Chip.

Chet had a hunch that Chip did not want to play chess. “You think I will win, and you will look like a chump,” he said to Chip.

“I am the best champ of all.  
There is no chimp who plays chess  
better than I do,” Chet said.

But Chip did not have time to play.  
He had to pitch in the big game.  
Chet said, "Chimps can play chess,  
but they should not pitch."

Chet bet a chunk of change and his ranch  
that he would win the chess match.  
He put a chunk of change on a bench.
