Chad's Problems

Note to Teachers and Parents

Focus Concept

Previously Taught Skills

Chad sits in bed on his soft quilt.

Chad has a big test with lots of math problems.
Chad wants to do well.

Chad will sit in bed and drill his math problems.

Chad drills lots of math problems.

Chad gets up to get a drink of water.

Chad brings the water in a glass.

The cat trips Chad.

The glass of water spills on his quilt.

Squish, squelch. The quilt is wet.

Chad cannot sit on the wet quilt!

Can Chad fix that problem?

Chad hangs the quilt in the bathtub to drip.

Chad thinks,
“I can fix problems well.
Next, I will fix math problems!”

Note to Teachers and Parents

All children should have the opportunity to experience success when reading. The decodable ebooks in this engaging series begin with simple words and sentences and increase in difficulty from level to level. Children may begin reading anywhere in the series, depending on their reading ability. The focus concept and sight words for this title, as well as a list of phonics skills children may already be familiar with, can be found at the end of this book.

This decodable ebook is perfect for independent reading. Encourage children to find a quiet spot to read, away from distractions. Help children build confidence by having them read aloud to you or to a friend or sibling.

Before beginning, you may wish to have children read the list of focus concept and sight words. When children have finished the story, encourage them to find these words on each page. To extend children's experience with these phonics concepts, encourage them to name or write down other words that follow the same phonics pattern. For example, if the focus concept is short *o*, they might write *log*, *pot*, and *frog*.

The presentation of phonics concepts in this series of ebooks was developed for the S.P.I.R.E.[®] reading program, a product of Educators Publishing Service.
