

VCE REVIEW

COMPLETE

Dear Educator,

Thank you for your purchase! This is the review of five sets I have created for vce practice, compatible with OG instruction. This resource may be used in a 1:1 setting, small group or even whole class, depending on your needs.

NOTE: Please pay special attention to the Table of Contents. This is the order of instruction I recommend. It progresses from words and sounds, to sentences and a fully decodable story. Three games are included at the end to use at any point in your instruction. They make great review centers.

If you enjoyed using this set, please be sure to check back for the other vce sets. I sell them individually, or in a cost effective bundle.

Thank you so much for choosing my store for your classroom needs. I do appreciate your patronage. Please be sure to leave feedback on this resource. It helps me, future customers, and you'll earn credit towards new purchases!

Sincerely,
Emily Gibbons
