Kick your instruction up a notch!

Dear Educator,
Thank you for your purchase! This is a set for practice for the r-controlled vowel ER. It is compatible with OG or other reading interventions. This resource may be used in a 1:1 setting, small group or even whole class, depending on your needs.

NOTE: Please pay special attention to the Table of Contents. This is the order of instruction I recommend. It progresses from words and sounds, to sentences and a fully decodable story. Games are included at the end to use at any point in your instruction. They make great review centers.

If you enjoyed using this set, please be sure to check out my other multi-sensory skill practice sets. I'll be adding more phonics packs each month!

Thank you so much for choosing my store for your classroom needs. I do appreciate your patronage. Please be sure to leave feedback on this resource. It helps me, future customers, and you'll earn credit towards new purchases!

Sincerely,
Emily Gibbons, [The Literacy Nest](#)

Herb, My Pet Monster

Some of my pals did not think I had a pet monster when I told them. But I really had a pet monster. I gave him the name, Herb.

Herb came to me in a dream. It was dark and stormy. I had a hard time sleeping. Herb gave me a poke and I woke with a start! "Is that a monster?" I did whisper. Herb did whisper back, "Yes."

Herb did stay in my bed while I left for class. I think Herb did try to sleep longer while it was day, but it was hard. Once, he did enter my den. He did spy my pet hamster, Dean. I think Dean and Herb did play. I was glad Herb did not make my hamster a snack.

Herb may not be the best pet for some, but he is so kind. I think I will keep him!
