**Kick your instruction up a notch!**

Dear Educator,

Thank you for your purchase! This is a set for practice for the r-controlled vowel UR. It is compatible with OG or other reading interventions. This resource may be used in a 1:1 setting, small group or even whole class, depending on your needs.

NOTE: Please pay special attention to the Table of Contents. This is the order of instruction I recommend. It progresses from words and sounds, to sentences and a fully decodable story. Games are included at the end to use at any point in your instruction. They make great review centers.

If you enjoyed using this set, please be sure to check out my other multi-sensory skill practice sets. I'll be adding more phonics packs each month!

Thank you so much for choosing my store for your classroom needs. I do appreciate your patronage. Please be sure to leave feedback on this resource. It helps me, future customers, and you'll earn credit towards new purchases!

Sincerely,

Emily Gibbons, [The Literacy Nest](#)

## Sea Urchins

Sea urchins dwell in the sea. An urchin may have long spikes and come in a lot of shapes and sizes. An urchin may be red, black or pink. Some can be seen by a reef. A sea urchin does not have fur.

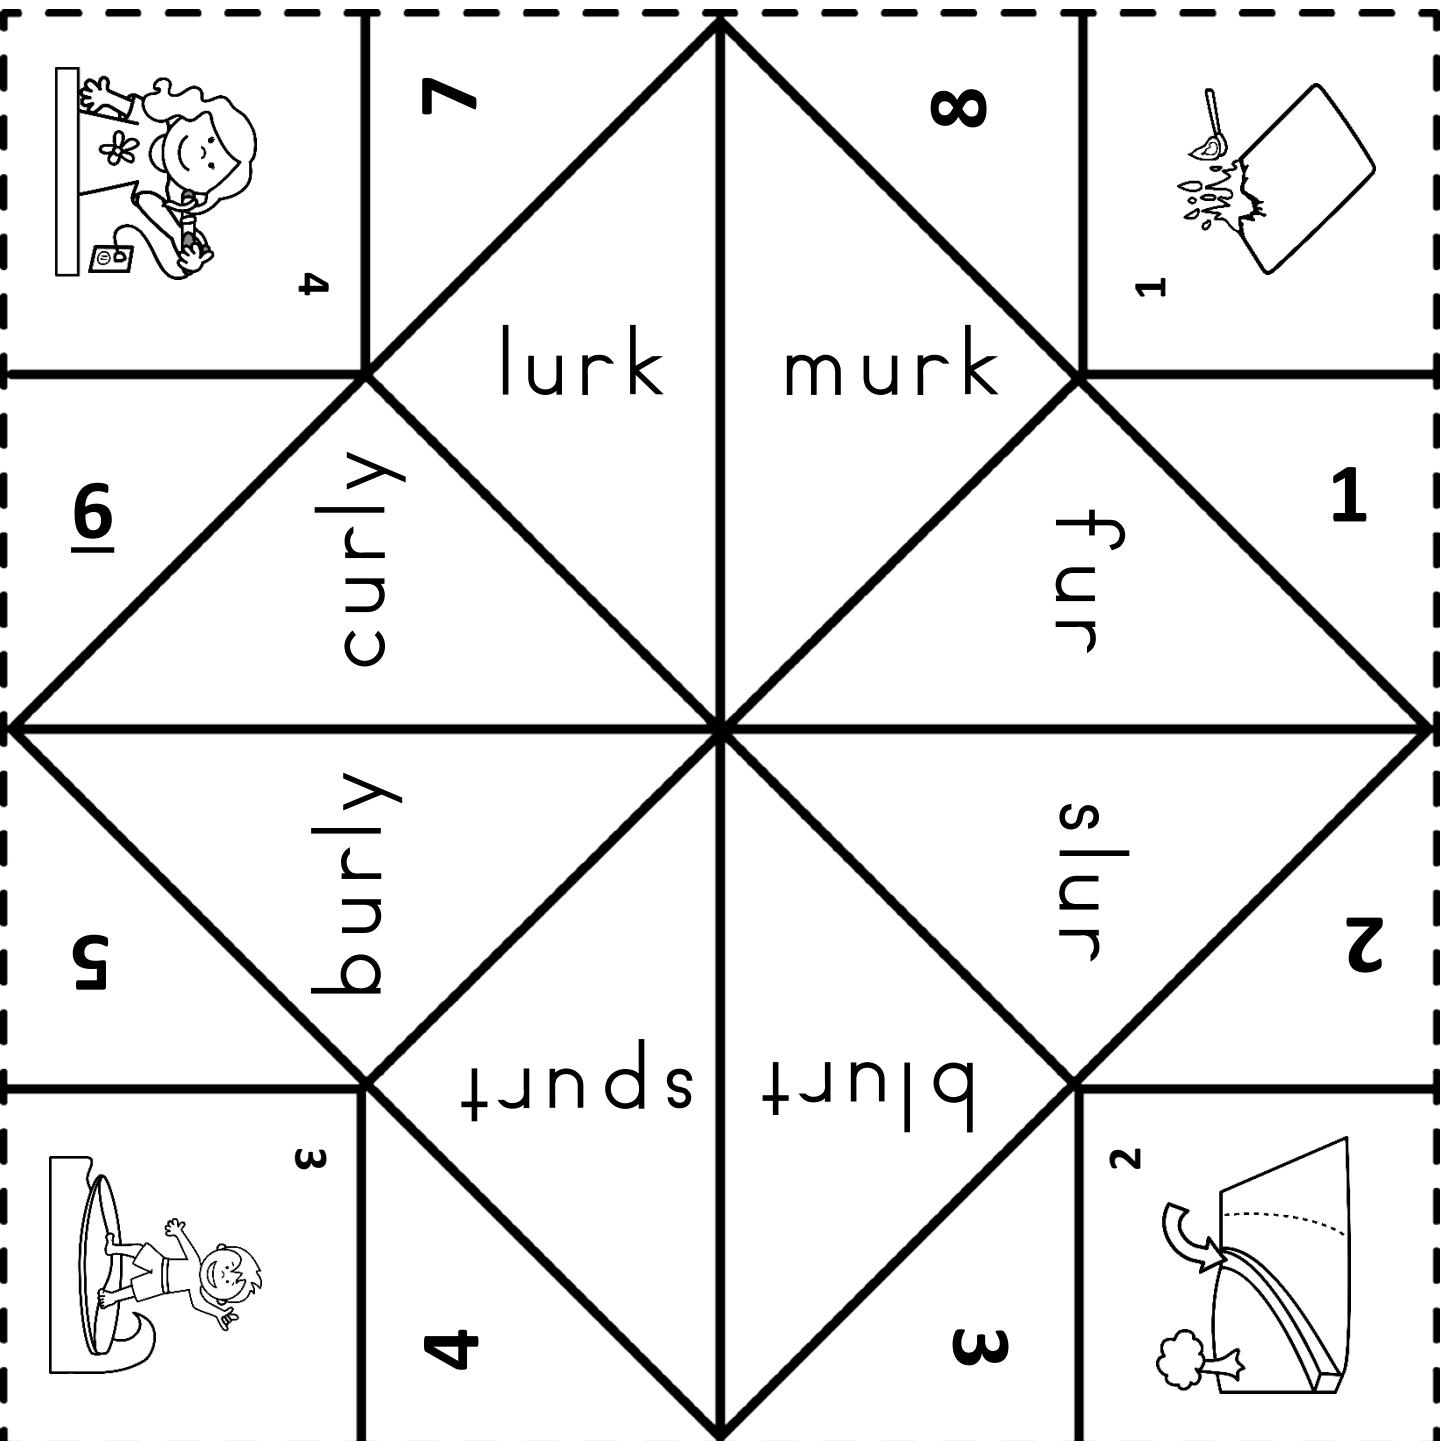

A sea urchin can survive with spikes. If you spot the feet on an urchin, you will see suckers. Suckers on the feet help the urchin to stick. An urchin may use one of the five sets of legs to swim farther to survive!

A crab, some big fish, an otter, or an eel will eat an urchin for a meal. Will you like to have one for a pet? Sadly, the sea urchin may be extinct one day. The sea does not have a surplus of sea urchins like it did a long time back. Can we find a way to help and save them?
