Dear Educator,

Thank you for your purchase! This is a set for practice with the five VRe sounds. It is compatible with OG or other reading interventions. This resource may be used in a 1:1 setting, small group or even whole class, depending on your needs.

NOTE: Please pay special attention to the Table of Contents. This is the order of instruction I recommend. It progresses from words and sounds, to sentences and a fully decodable story. Games are included at the end to use at any point in your instruction. They make great review centers.

If you enjoyed using this set, please be sure to check out my other multi-sensory skill practice sets. I'll be adding more phonics packs each month!

Thank you so much for choosing my store for your classroom needs. I do appreciate your patronage. Please be sure to leave feedback on this resource. It helps me, future customers, and you'll earn credit towards new purchases!

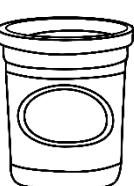

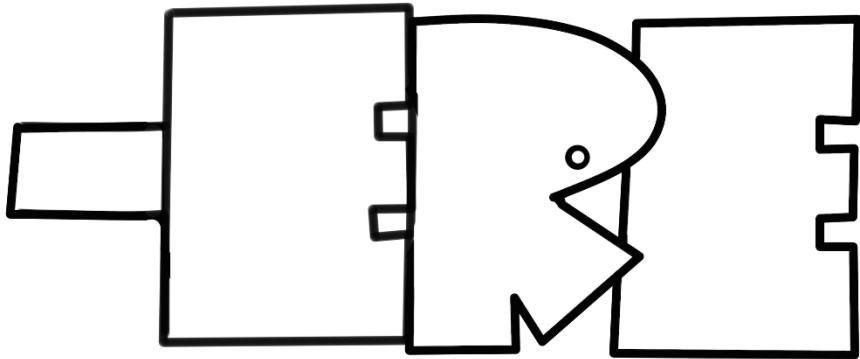

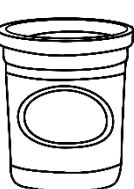

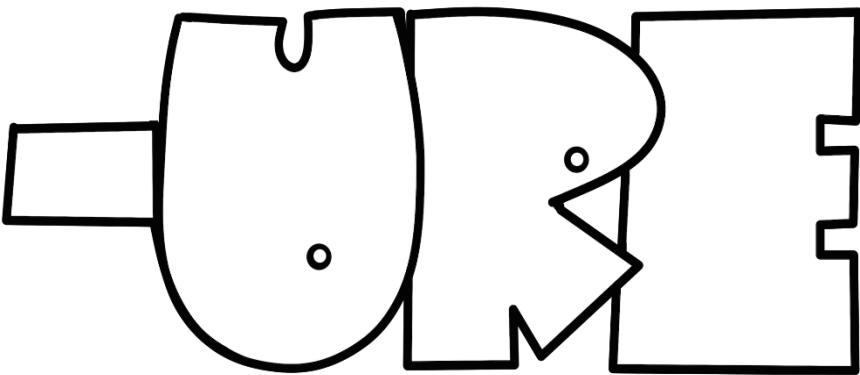

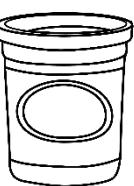

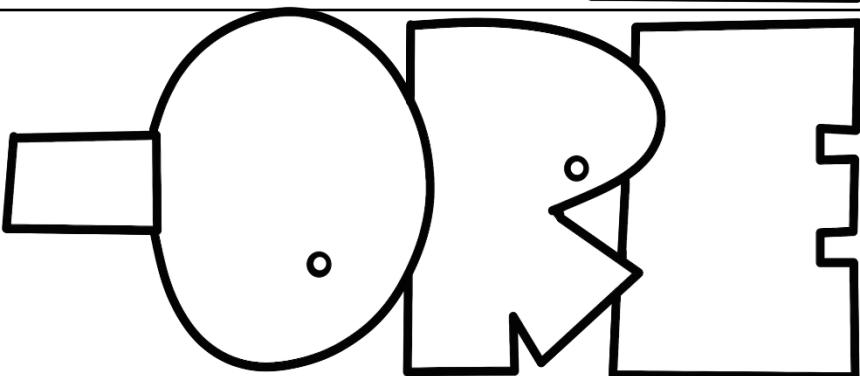

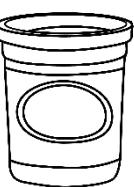

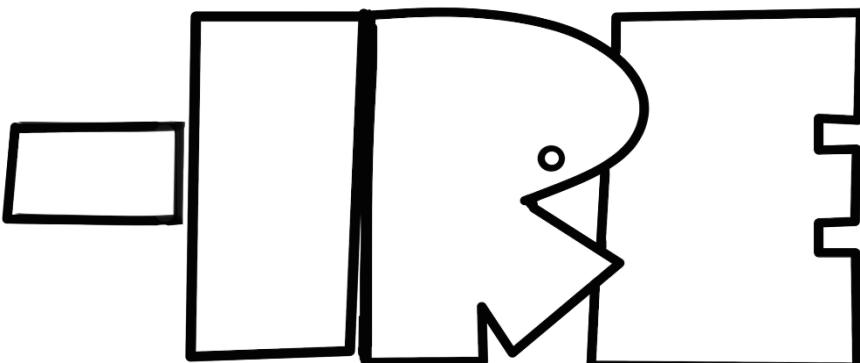

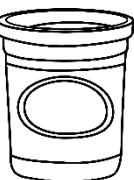

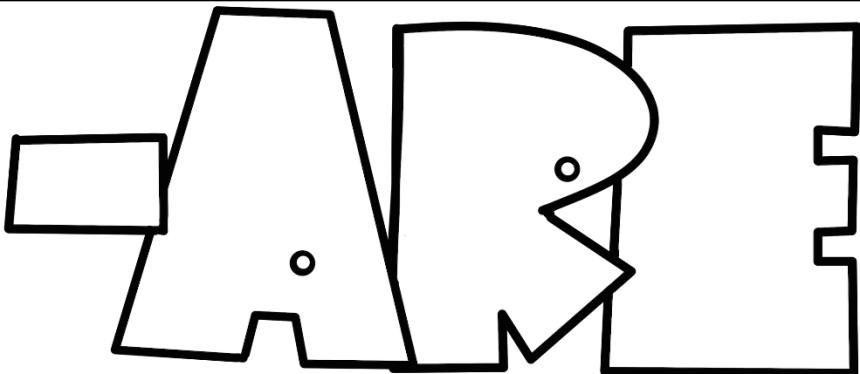

Sincerely,  
Emily Gibbons, [The Literacy Nest](#)

## The Odd Figure

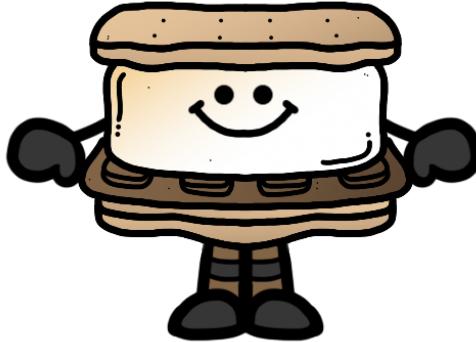

While on a trip to the store, we had to take a bus. We paid the fare with spare dimes, and sat by the seat with the spare tire under it. Mack wore a coat that was secure on his waist. A man with a hutch sat near us holding a hare. After we were secure in our seats, the bus drove.

We sat at a red light for a mere five minutes when an odd figure in a sphere floated by. It wore an all white cloak. Was it a dream? Did Mack see the figure in the sphere, here on the bus? I wasn't sure but, I had to ask.

"Mack," I asked. "Did you see a white figure in a sphere just floating by?" Mack stared at me like I was the odd one, and not the figure. If Mack didn't see it, then why did I?

# More s'mores!

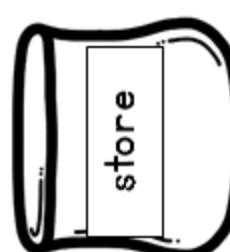

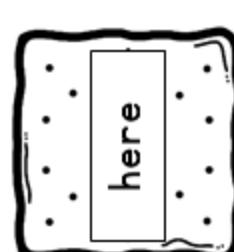

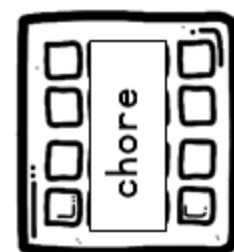

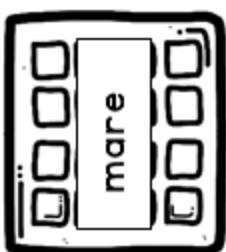

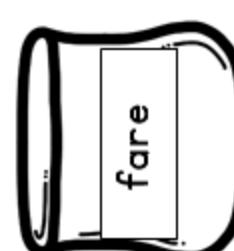

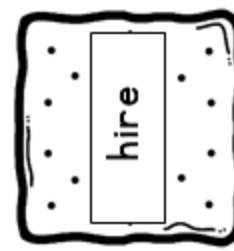

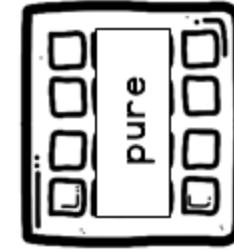

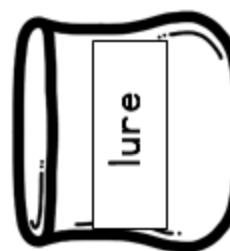

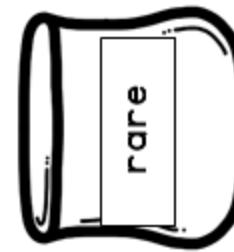

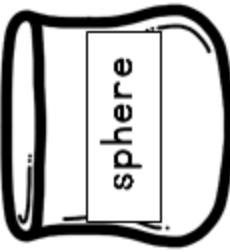

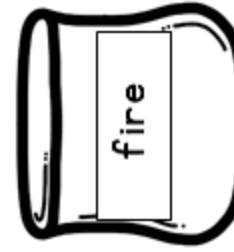

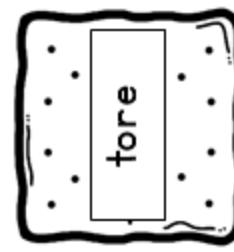

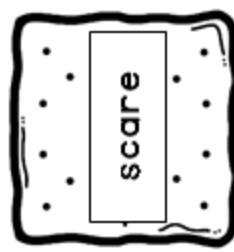

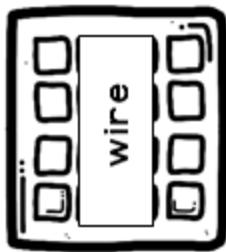

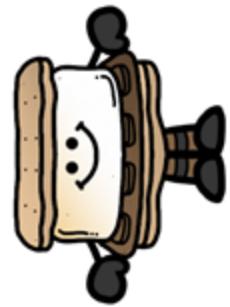

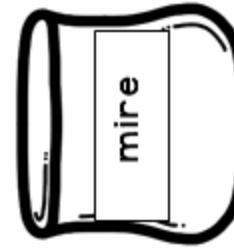

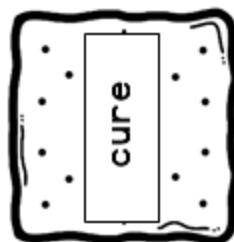

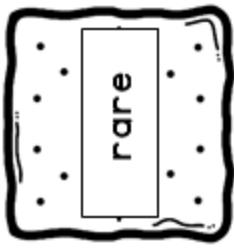

Materials: One set of double sided s'more word cards per player, one s'more ingredient game board and one campfire game board, dry erase board, marker and eraser

## How To Play:

1. Shuffle the s'more word card well and place them face down next to the campfire game board.
2. Each player flips over one card and place it on the brown square next to the campfire. Both players need to read their words out loud.
3. If either player turns a card over and can match it with a s'more ingredient space on their game board, they may lay that card on that space. If you don't have a match up, place the card in a used pile.
4. Keep playing until you fill up all four spaces on your own game board with matching cards. The first person who fills up their game board wins. Reshuffle the cards and play again.
5. If you flip a card with a picture of a happy face s'more, you get to flip over TWO cards on your next turn instead of one.
