Dear Educator,

Thank you for your purchase! This is a set for words with QU. It is compatible with OG instruction or other reading interventions. This resource may be used in a 1:1 setting, small group or even whole class, depending on your needs.

NOTE: Please pay special attention to the Table of Contents. This is the order of instruction I recommend. It progresses from words and sounds, to sentences and a fully decodable story. Games are included at the end to use at any point in your instruction. They make great review centers.

If you enjoyed using this set, please be sure to check out my other multi-sensory skill practice sets. I add about resources every month to my store.

Thank you so much for choosing my store for your classroom needs. I do appreciate your patronage. Please be sure to leave feedback on this resource. It helps me, future customers, and you'll earn credit towards new purchases!

Sincerely,

Emily Gibbons, [The Literacy Nest](#)

A set of shy quints dwell next to my home. Quints are five kids. That is quite a lot of kids in one home! The quints, (or quintuplets) like to sing in a quintet. The quintet will sing a song that will make a Mom or Dad cry.

Once, the quints had a quilt contest. One kid at a time did add one quilt square. The squares had flags on them. When the flag quilt was done, it was quite a prize. The quints did not sell it, but gave it to the Sunshine Club. The Sunshine Club did thank them.

The quints did invite me once to come and bake with them. We made white cupcakes. Then we got to frost them. The quints are quite shy, but I try my best to be a pal to them.

Highlight all the QU rule words in **yellow**.

~QU~ TIC TAC TOE

Write in QU words instead of X and O into the empty spaces. Tic-Tac-Toe, 3 in a row!

Squish, The Fish

Materials: Game board laminated (page 19), one set per player of QU shuffled word cards (page 20), QU assembled game cube (page 21), dry erase board, marker and eraser
