## Grumpy Gene

Grumpy Gene had a job in the local pet shop. Gene didn't have many pets to sell, but he wished to get some next year. He would sit at the desk and chomp gum, waiting for someone to come in.

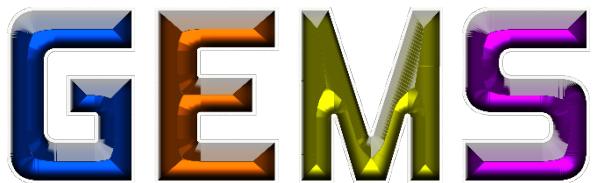

On one side, there were gophers. Some were gold and some were brown. Some were large and some were small. Grumpy Gene had a tidy cage for each gopher, and he did change the food and clean the bowl each day.

Against the side wall were two huge gerbils. Grumpy Gene named them Gus and Roger. Gene tried to keep Gus and Roger on a strict meal plan, but sometimes he forgot. Grumpy Gene might slip them a gumdrop or two for a treat.

At the back of the pet shop, Grumpy Gene had a garden. In it, were three large goats. He gave them grass, flowers, or a piece of ginger to munch on each day. Gene may have been grumpy, but his pet shop gave him peace.
