Dear Educator,

Thank you for your purchase! I created this phonogram pennant banner set to display in your classroom or tutoring site.

This pennant banner is perfect for introducing new phonograms for your Orton-Gillingham lessons. I created over 90 pennants for you to choose from. Simply print them on cardstock, laminate them and either string them for a clothesline display, or hang them up on a wall.

You may choose to hang one at a time as you introduce a new lesson, or display every pennant. This set makes a meaningful word wall and reference tool for your students. It is organized by sound spelling. For example, you will find different pennants each showing the ways long a is spelled. I have included blank pennants in case you'd like to add to it.

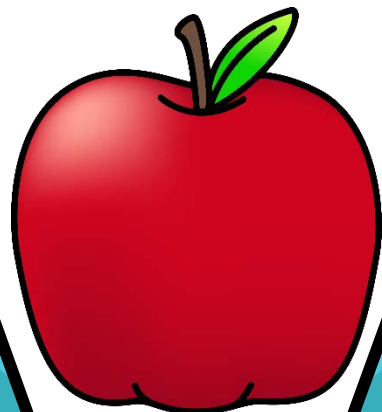

Thank you so much for choosing [my store](#) for your classroom and homeschooling needs. Please be sure to leave feedback on this product. Have a great day!
