Emily Gibbons, 2016

Dear Educator,

Thank you for your purchase! This is a set for practice for THREE LETTER BLENDS. It is compatible with OG or other reading interventions. This resource may be used in a 1:1 setting, small group or even whole class, depending on your needs.

NOTE: Please pay special attention to the Table of Contents. This is the order of instruction I recommend. It progresses from words and sounds, to sentences and a fully decodable story. Tap cards and games are included at the end to use at any point in your instruction. They make great review centers.

If you enjoyed using this set, please be sure to check out my other multi-sensory skill practice sets. I will be adding more blend practice packs and creating a **HUGE** blends bundle with over ten packs in May, 2016. [Click here](#) for more practice sets.

Thank you so much for choosing my store for your classroom needs. I do appreciate your patronage. Please be sure to leave feedback on this resource. It helps me, future customers, and you'll earn credit towards new purchases!

Sincerely,
Emily Gibbons, [The Literacy Nest](#)
