Dear Educator,

Thank you for your purchase! This is a set for REVIEWING BLENDS. It is compatible with OG or other reading interventions. This resource may be used in a 1:1 setting, small group or even whole class, depending on your needs.

NOTE: Please pay special attention to the Table of Contents. This is the order of instruction I recommend. I designed this review pack specifically to address the struggle students may have with hearing and distinguishing the sounds in blends well enough to decode and encode. It progresses from sound identification to word sorting to written sentences. Clip cards and sliders, and a baseball blends game are included to use at any point in your instruction. They make great review centers. This review set is part of a **HUGE** blends bundle with nine packs in May, 2016. [Click here](#) for more practice sets.

Thank you so much for choosing my store for your classroom needs. I do appreciate your patronage. Please be sure to leave feedback on this resource. It helps me, future customers, and you'll earn credit towards new purchases!

Sincerely,
Emily Gibbons, [The Literacy Nest](#)

Blend Baseball Directions

Use baseballs (pg. 41) for word cards. Write words with blends on them.

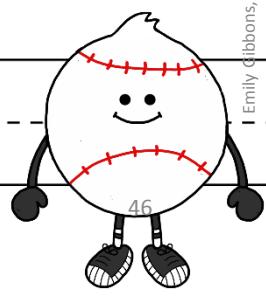

1. 	Start at home plate. The pitcher will pitch, or read a word out loud to the batter. Batter repeats word and goes to first base.
2. 	Student taps out the sounds of word and goes to second base.
3. 	Student finger spells or taps out the spelling of the word, and goes to third base.
4. 	Student writes the word on paper or a white board, (<i>saying each letter out loud as they write</i>), then goes home to score a RUN!
5. 	Student reads word out loud to pitcher and checks it. Switch roles. Keep playing until the first person scores 6 runs.
