Dear Educator,

Thank you for your purchase! This is a ***GROWING BUNDLE*** for advanced O-G concepts. I will add to the bundle monthly according to a completion schedule. Please see the completion schedule on the next page to find out when you may download monthly updates. It is the customer's responsibility to re-download all updated bundles. More preview images are coming, but I have included some examples so far.

Why an Advanced Concepts Bundle?

Older students may be prepared for advanced concepts in phonology and morphology, but still benefit from a systematic, structured approach. Each resource focuses on 1-2 concepts at a time in isolation. Practice with multisyllabic words, reading comprehension, and writing skills are included in each resource to bolster language development.

### My School Day

On Thursday, we learned about many different things at school. We read \_\_\_\_\_ from ancient Greece in ELA class, and practiced breaking words into

\_\_\_\_\_. When it was time for P.E., we walked into the \_\_\_\_\_ and formed teams to play kickball. The game made us thirsty, so we got a drink to \_\_\_\_\_ ourselves. When it was time for Science class, we

After lunch, we constructed a model of the pyramids in \_\_\_\_\_ for history class. After dismissal, I decided I'd start my homework after eating a snack. I wasn't the \_\_\_\_\_ of kid to put off getting my work done until the last minute.
