The Teammates' Game

The Rockland teammates' football game was at three o'clock. The coaches' clipboards were filled with notes on plays the team would try out that day. The teammates' win could mean a chance at the play-offs.

Tickets to watch the big game were five dollars each. Each player's jersey number would be on display as the spectators walked into the stadium. The bleachers began to fill with eager fans waving pennants. One fan's pennant even blew away in the wind! Everyone's excitement could be felt as the game began.

The teams' coin toss fell in Rockland's favor. The first kick started the game! Each player's determination could be felt as the team raced for the first touchdown. Would Rockland be the winning team?

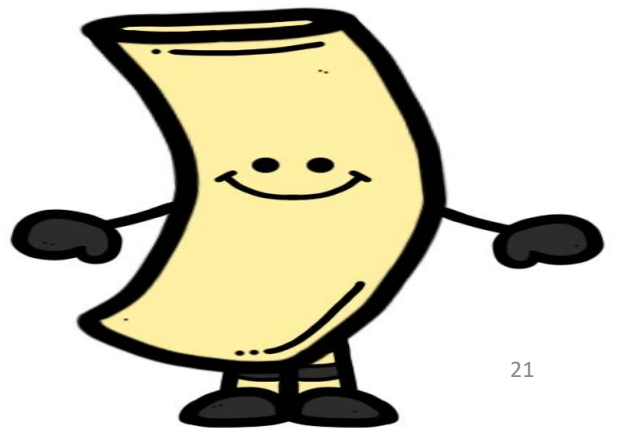

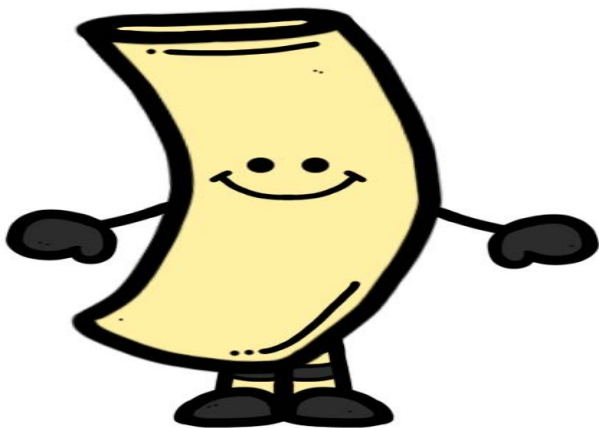

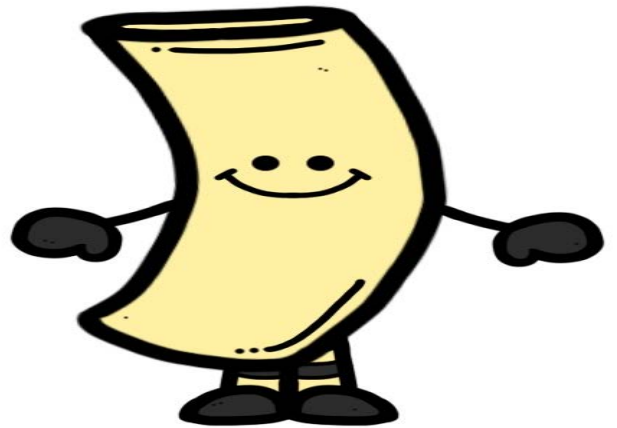

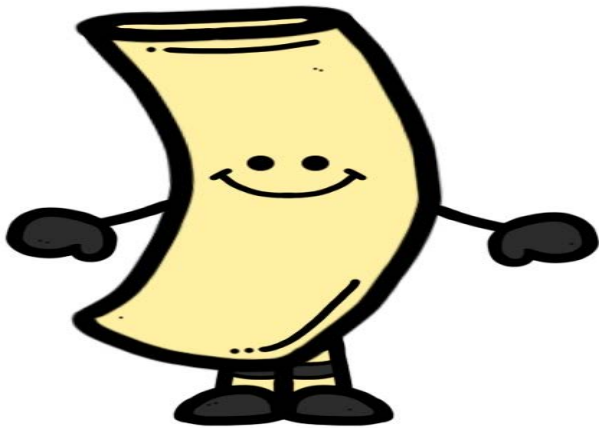

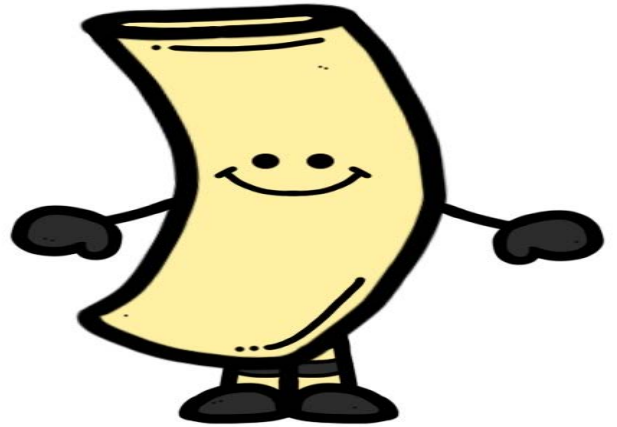

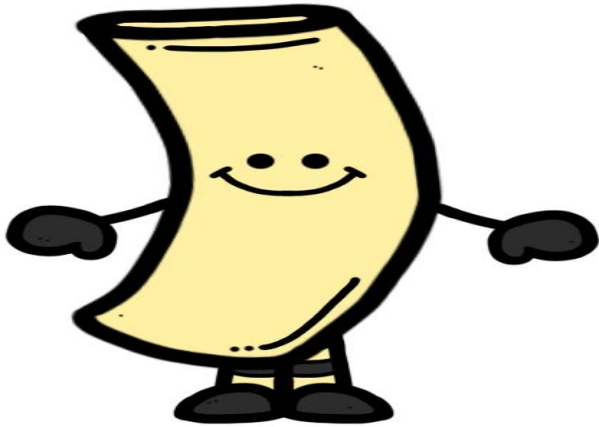

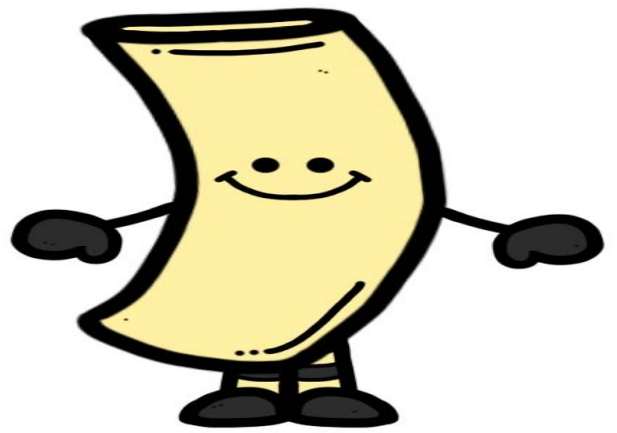

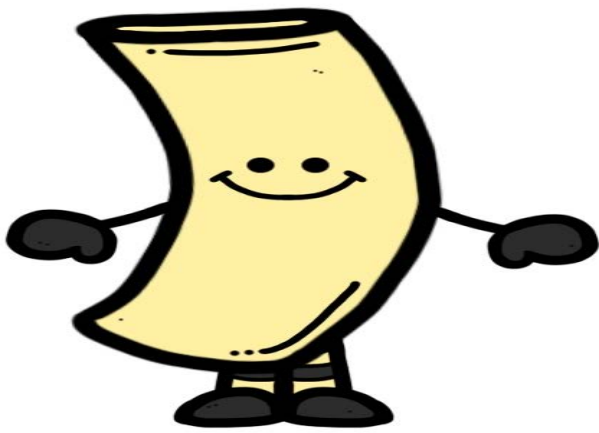

Why was this game especially important to Rockland?

Possessive Pasta Showdown

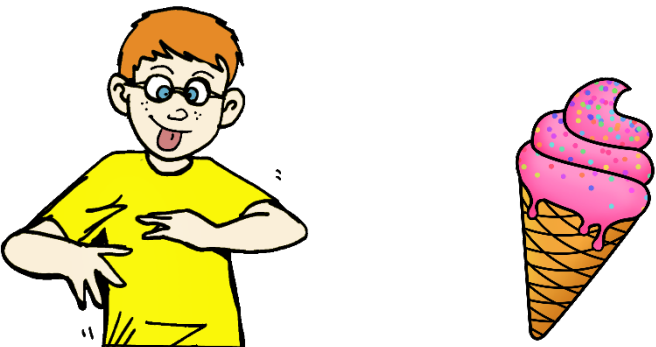

Materials: A small bowl of elbow-shaped pasta for apostrophes, 1 page with Possessive Pasta spinner (Laminate or use a sheet protector), playing cards (Photocopy the word page to the page with the macaroni to make double-sided word cards. This prevents seeing the words printed through the other side - laminate if you wish), dry erase markers, paper clip and pencil for spinner.

Directions:

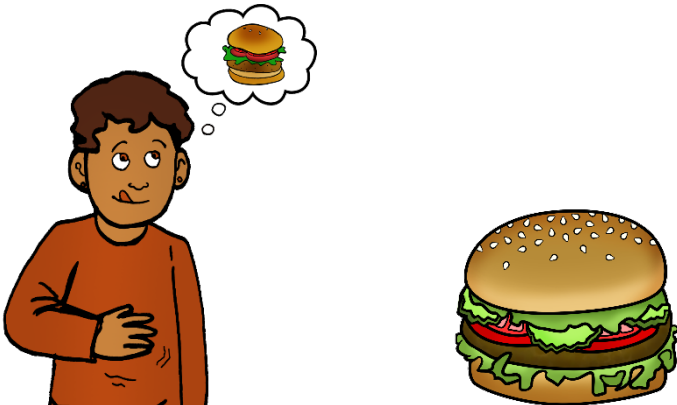

1. Place the spinner sheet between the players. Deal 8 cards each. Decide who will go first.
2. Spin the spinner.
3. If you land on singular or plural, choose a card that is that type of possessive. Read the sentence and place the card in the blank box. Write the possessive phrase into the writing spot below (e.g. Jane's lunch or cats' treats). Have your partner check it.
4. If your partner agrees, you may discard the card into a discard pile and take a macaroni apostrophe. If you were incorrect, please try again.
5. DINNER TIME - you choose a singular or plural card in your hand.
6. SPIN AGAIN means to take another turn.
7. Players take turns and repeat directions 2 - 4. The first person to collect 8 pasta apostrophes is the winner. (If you're stuck for time, the first player to collect 6 pasta pieces is the winner.)

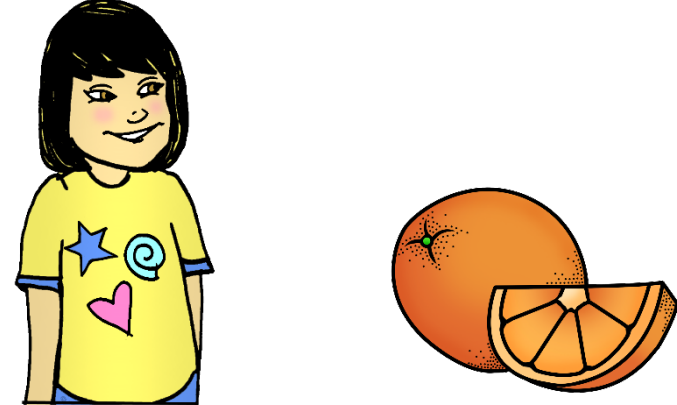

Mike bought an ice cream cone.

Marco wants to order a hamburger.

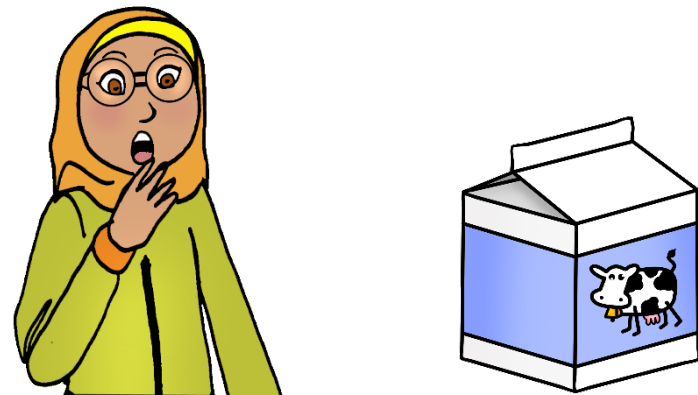

Lynn has an orange for snack.

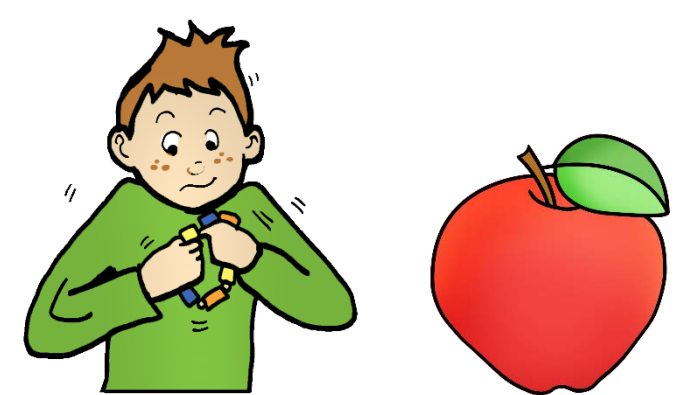

Paul isn't sure about eating noodles for dinner.

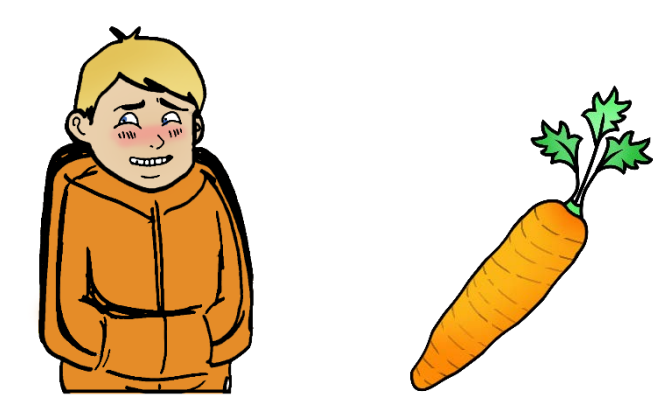

Samira found milk in her lunchbox.
