Word Cards

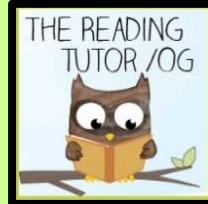

Level Two

Dear Educator,

Thank you for your purchase! This set of level 2 cards is a companion to my Level 2 Words and Sentences Pack. I created it to match each list. These word cards eliminate the need for index cards. Just print these on card stock and cut them out. NOTE: To keep lesson continuity, there are some blank cards.

You may use them to add extra words.

Teacher tips:

- Create a filing system by putting each set of word cards in ziploc bags.
- Place them into a hanging file folder and store other pertinent lesson materials.
- They can be used in a pocket chart or as flash cards.
- Hand students a set for at home practice.
- For a fun multi-sensory activity, have students trace over each letter with a glitter glue pen. When they're dry, they can trace over the letters and spell them out loud for review.
