

Sail Away!

The 3
Sounds Of
-ed
Word Sort
and Games

"I jumpeded into my renteded
boat and saileded away."

Dear Educator,
Thank you for your download! This is a collection of activities to use for differentiating between the different sounds of the suffix ed. Word sorting is a brain-based activity that will really get your students looking more critically at words and their patterns. ONE SORT IS NOT ENOUGH. Children need multiple exposures to sorting in a variety of ways. There should be no writing involved in the first sort. Just looking at the words, discovering patterns and determining categories is enough for the first lesson. Subsequent lessons can involve sorting, speed sorting, and blind sorting. Use the word cards for sorting and for playing concentration. I've also added a making words template to practice building 3, 4, and 5 letter words ending in ed.
Please be sure to check my [Teachers Pay Teachers Store](#) for more word study activities. Thank you!
