Thank you for purchasing my St. Patrick's day Write the Room - CVC Words Edition activity. I hope that you find the material useful and your kiddos have a great time using it.

I would like to thank the following talented artists for providing their fonts and clipart.

Directions

Prep: Print, laminate, and cut the cards. Print the "I Can..." poster. Print copies of the recording sheet.

Students will walk the classroom to find cards. Then they will match the number on the card to the number on their paper. Next, they will say the picture. Then they will write down the letter sounds to spell the word. An additional recording sheet has been provided where students can trace the words.
