Silent “e” Games

Silent “e” Game

Directions: Player 1 rolls the die and finds the beginning letter from the 1st column. Then, Player 1 rolls the die a second time and finds the ending vowel sound from the 2nd column. If Player 1 can make a word from the two columns they find it on a turkey and cover the word with a game token. Now it's Player 2's turn! The player to cover 5 words first is the winner!
