

Build CVC Words

ELKONIN BOXES

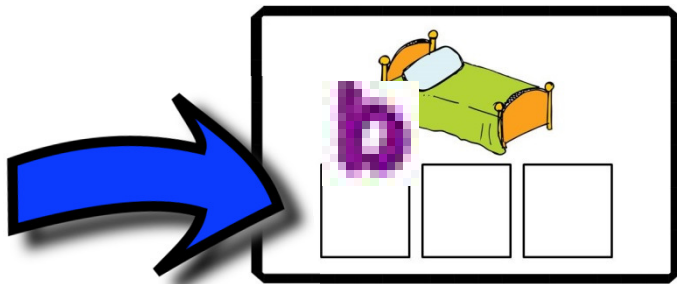

Elkonin Boxes

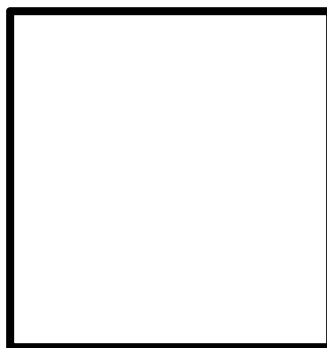

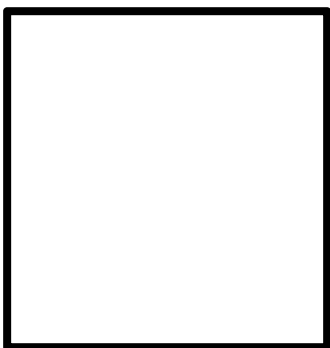

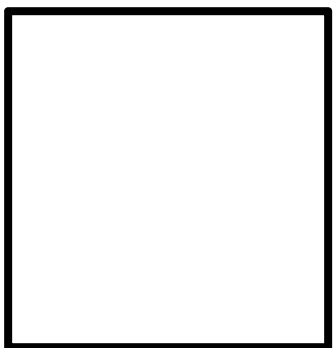

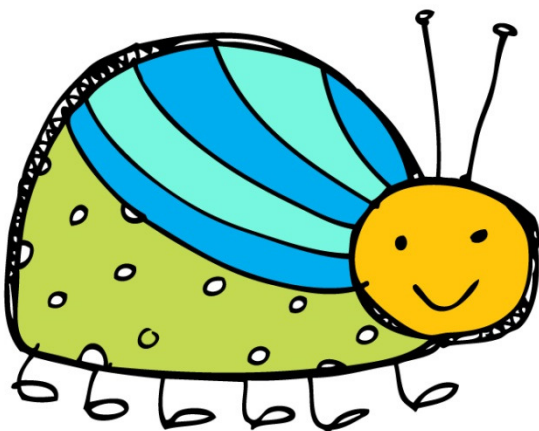

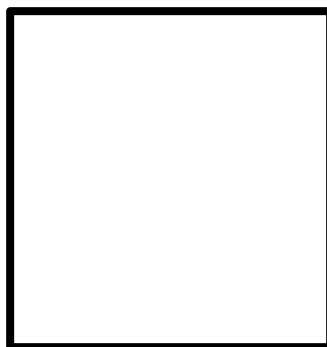

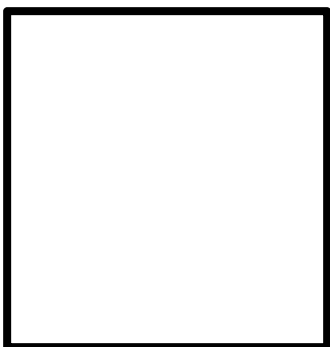

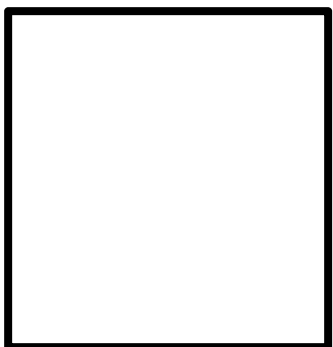

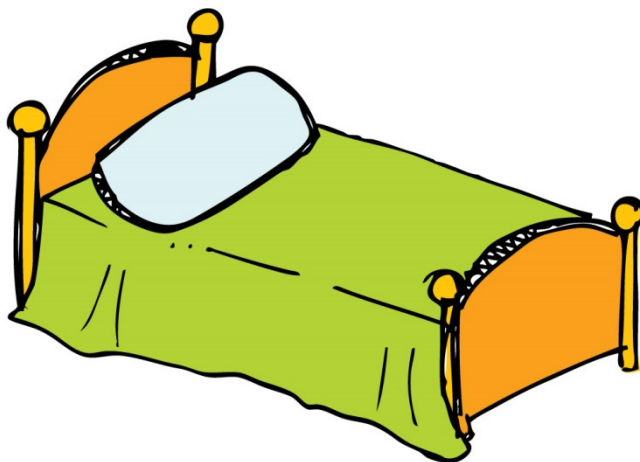

Your students can practice building CVC words using short vowel sounds (one box per sound, not necessarily per letter).

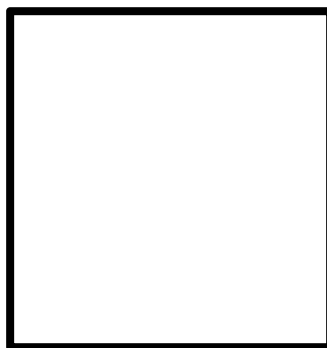

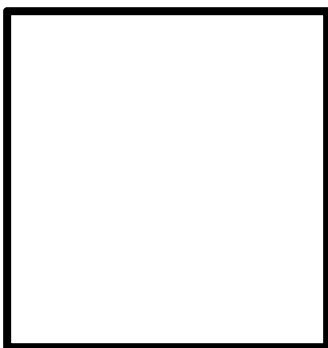

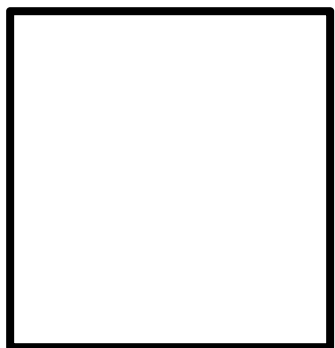

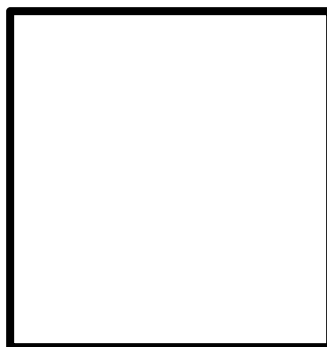

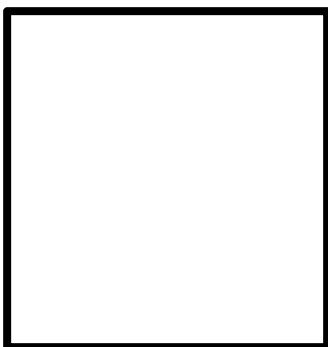

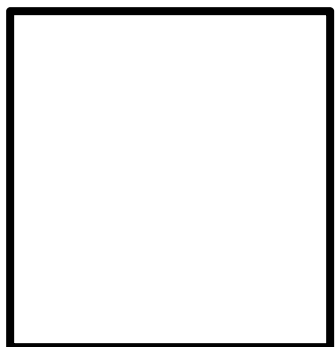

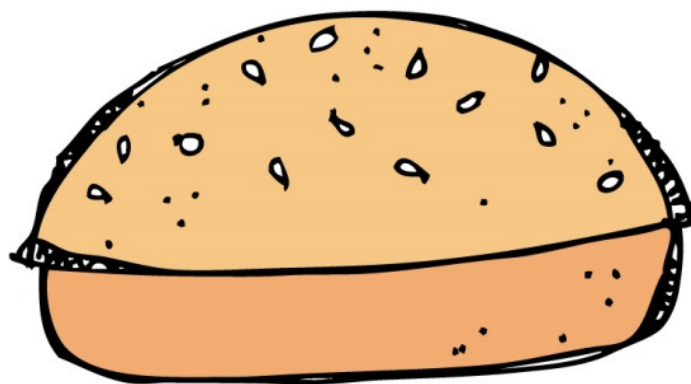

Directions:

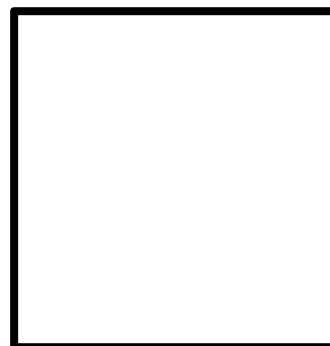

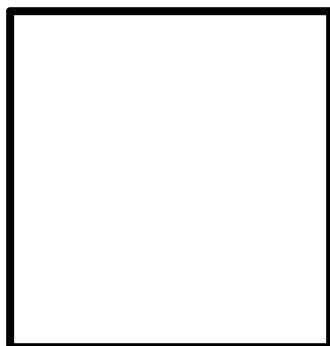

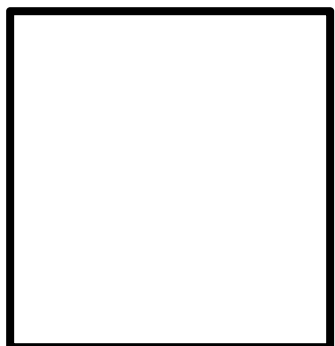

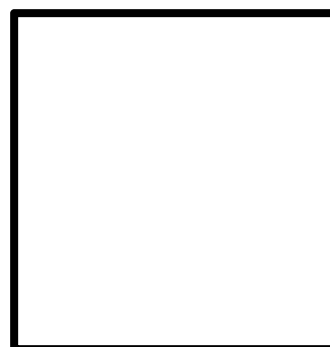

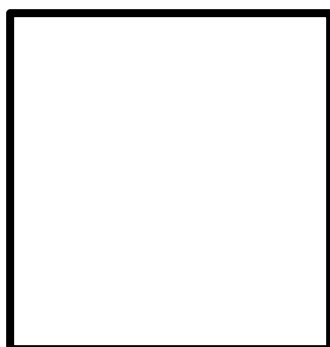

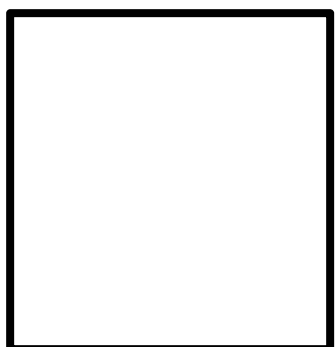

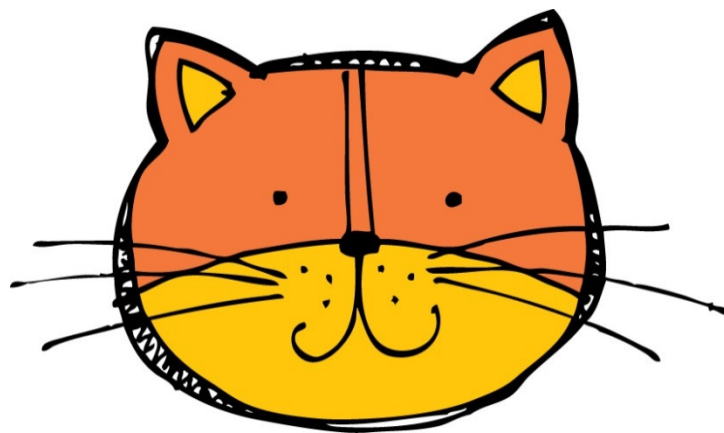

1. Cut and laminate the boxes for durability.
2. Use small letter magnets or other letter tiles to build the words OR write on the laminated cards with whiteboard markers.
3. Read the word when finished.

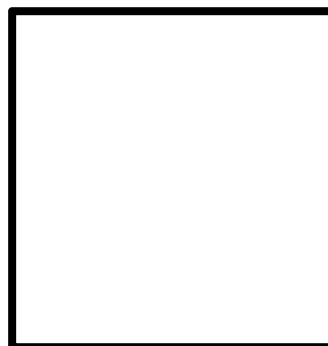

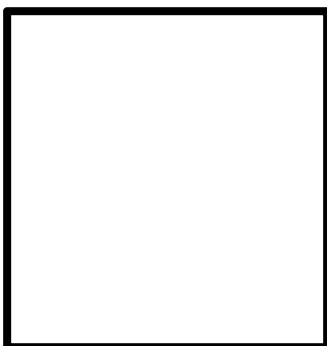

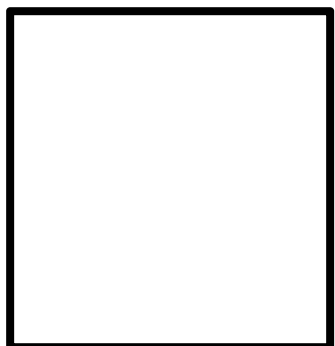

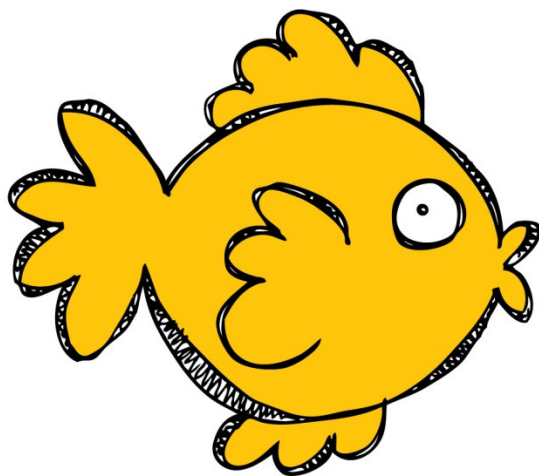

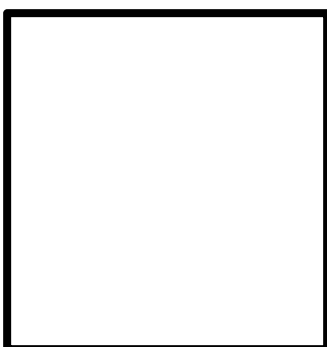

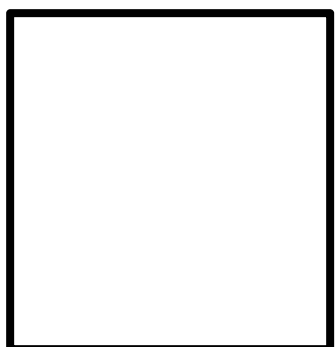

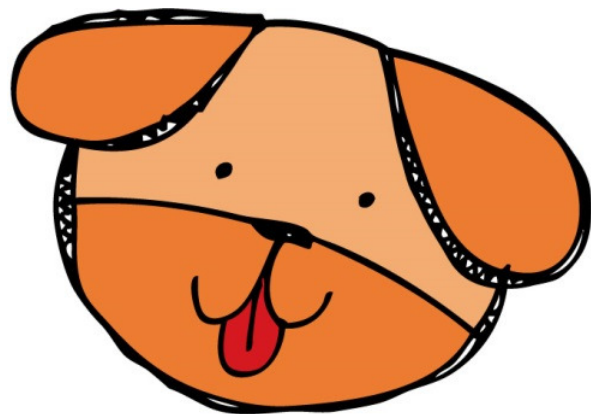

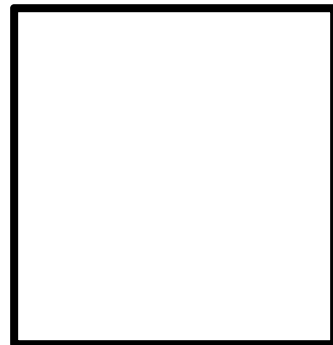

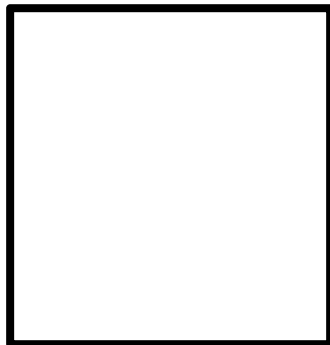

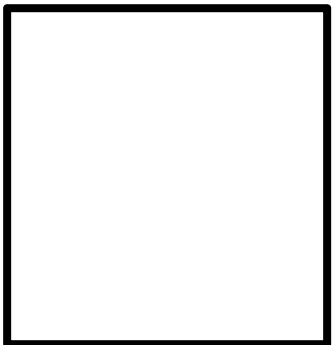

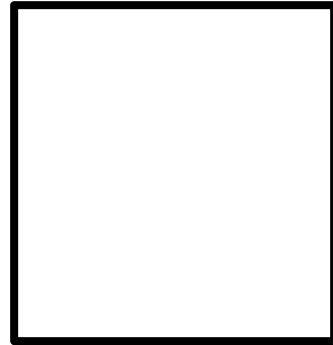

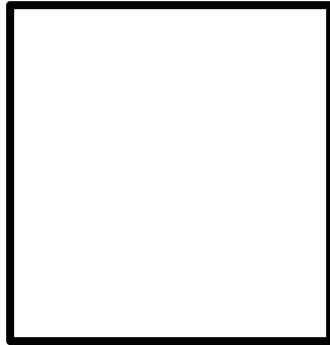

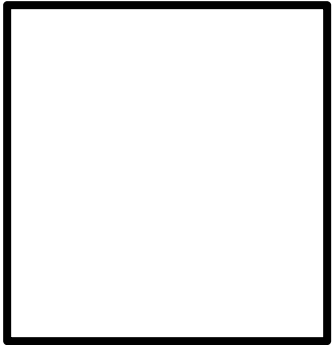

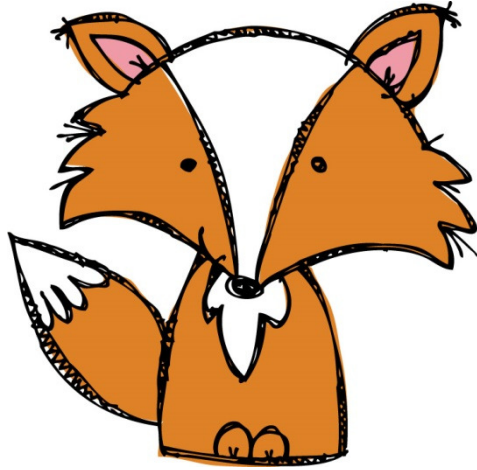

These can be used individually for word work or in guided reading groups for a warm-up exercise.
